Comments: I do not agree to an extension of working hours. At no point does Mr Docksey or his employees have any respect for the local residents.

My kitchen window is facing the yard within 50 yards, having lorries reversing and engines starting from 5am until 7pm is late enough, even more so it will be an issue when winter months are here, to have noisy lorries manoeuvring after this time will be a huge disruption and inconvenience, with lights glaring in through my window. 5 days a week with noise starting at 5am is more than enough, weekends are meant to be quiet.
