Comments: Dear Sir / Madam,

In respect of planning application reference SMD/2020/0290 we would confirm that in terms only of the proposed new 4 bedroom detached property, that in principle we are not opposed to the submission.

However, we are very opposed to the construction of a new detached double garage being built directly adjacent to our boundary with Rose Hill.

Furthermore, the planning application does not include any elevations to demonstrate the type of construction or the dimensional impact of the proposed garage for us to even consider the application.

We would advise Staffordshire Moorlands District Council that it should seek further information from the applicant in this respect, as it would be a clear issue of negligence if any planning permission was to be granted without proper illustration of the proposed development.

We look forward to your response.

Yours sincerely, Michael and Jane Cox
