To Whom It May Concern

My name is Carl Murphy and I have carried business as a plumbing and heating engineer under the style of Ridgeway Plumbing & Heating for over 25 years, currently from 16 Ridgeway, Hixon

I confirm that Peter Heath of Cheadle worked for me on a full time basis from 2005 to 2013.

During his period of employment I am not aware that he carried out any other work, other than that for my company, and I believe he derived his sole income from employment with us.
