Historic England Advice

Having considered the Heritage Impact Assessment submitted with the applications we understand that no additional external or internal alterations to the castle or its setting are proposed, other than those already approved in previous consents (paragraph 5.1). On this basis we do not wish to offer any comments on the current applications. However, we suggest that you continue to seek the views of your specialist conservation adviser.

It is not necessary for us to be consulted on these applications again, unless there are material changes to the proposals. However, if you would like detailed advice from us, please contact us to explain your request.
