29 June 2017

Dear Lisa,

Re Planning Application SMD/2017/0302 New Estate railings to car parking bays and post and wire fence to rear boundary, new pedestrian gates, blocking up of doorway to gable, replacement first floor window to bed 2. Secondary glazing and a new stone fireplace surround at Glyndor, 24 High Street, Ipstones

Members have discussed this application and have no objections to the main part of the application but have some concerns about the proposed fencing.

In the circumstances, members suggest that you discuss the 'fencing' aspect of the application with the applicant in order to avoid a repeat of the previous history of enforcement orders regarding the boundary fences.

Please could you note the above, comments on your records.

Yours sincerely,

Clerk
On behalf of Ipstones Parish Council
