By e-mail 3rd September 2020 from the applicant

Further to our conversation the other day regarding 12 Mountside Gardens, Leek; please find attached photos of previous conservatory which was not shown on the plans submitted by our architect.

The conservatory had been up for many years prior to us buying the property. Please also note that the new orangery has been built in exactly the same footprint as before and is no closer to the neighbouring property than the house.

Many Thanks,
Mitchell Shenton
