Dear Madam

**THE INSTALLATION OF A DUPLEX GRADE SEWAGE PUMPING STATION,
PUMPING MAIN, KEE NUDISC SEWAGE TREATMENT PLANT AND ASSOCIATED
DRAINAGE**

THE KNOTT INN, STATION LANE, RUSHTON SPENCER

Thank you for referring the above application which was received on 7 June 2017. We apologise for the delay in our response.

We have reviewed the application and have **no objections**, in principle, to the proposed development.

The proposed upgrade to the effluent discharge arrangements at the site represent a significant improvement when compared to the existing arrangements. The new effluent treatment plant has already been issued with an Environmental Permit and as such will now be regulated under the Environmental Permitting (England & Wales) Regulations 2016.

Yours faithfully

Ms Anne-Marie McLaughlin
Planning Advisor
