Dear sir/madam
In reply to you letter dated 18/08/2020.informing the residents of haste hill ave st10 2bb concerning the proposed development
Of location haste hill cottage. May I take this opportunity of
Offering my objections on behalf of e j critchlow at 14,haste
Hill ave ,Kingsley st10 2bb,my objections relate too encroachment
(Potential) extra vehicle traffic affecting emergency services
Access,community spirit,misuse of the original use of the site
Which was designated garden use only when purchased after
The present owner purchased the property.The rear and side
Garden was originally wild meadow adjoining the Staffs
Way Path.
It should also be noted that 100 m to the South, 3 new properties
Are being errected and 100m to the West stands a vacant plot.
The old Youth club football pitch has also recently been
Purchased by private buyers again with potential for more
Building plots.
Finally I believe in the recent moorland housing plans the area
Immediately surrounding haste hill ave st10 2bb was given
Preferred three ,status.
Us E.j.critchlow ,14haste hill ave ,Kinsley st102bb.
