Application Reference No. : SMD/2017/0390 Site Address: Stanford House DENSTONE LANE ALTON
STAFFORDSHIRE ST10 4AX Stoke On Trent

Dear Sir/madam

I am writing to express my concerns re the above planning application

Whilst I have no objection to Mr and Mrs Draycott building a double garage on their land, I do object to the request to move the current path. This is our only pedestrian access to the village. It is already right next to the mature tree - any closer and the main roots would be damaged.(this is not to scale on the application).

The building of the garage was started prior to any planning request. The old dilapidated garage building behind could be removed and the garage moved back so no changes to the path would be needed.

The Draycotts have bought 11 Denstone Lane behind, and the Hotel is now Stanford House, their residence - so neither of these will obviously log any negative comments in regards to the planning application. They have converted the Hotel to a private residence and the 'flatlets', to the side have been turned into 2 private cottages which are now lived in by members of their family. All this with no planning applications.

I would like to log these objections but do not want them to go on the public site.

Regards

Deborah Branson
