Comments: We are neighbours to the proposed application to which we have no objections. We would however comment as follows and ask that these comments are taken into consideration when the decision is made.

1. On the periphery of the site there are three magnificent trees, 2oak and 1 sycamore, we feel it imperative that these ars not disturbed in any way.. and boundary fences are secure and stock proof to our adjoining farm land.2. The proposed car parking area for CCC be secure at all times when not in use, to prevent any abuse by outsiders.
