Dear Sir
Redarding th ALterations
To the garage Roof at
Abbotsfield Buxton Road Leek
MR Knight has alReady put
a Row o 5 more Bricks
all Round to make it Higher.
Befor Putting in the
Planing APPlication.
Are Home is a Bunglow
and is only 1.70m 5ft 7ins
From the garage. it is
Takeing Light from

are BedRoom and 2 Lounge Windows. We are Both Retired and at Home all Day and Everg Time we go Through the door We Feel We are Walking under a Tunnel. and it is Very Depressing. we do not know what kind of Noise we are going to have from anther Room Beining Built on. The Roof Will be Higher then are Bunglow and Will Devalue are Property We Think it Should be Put Back the Same has it Was With 2 Points at the End to Let us some Light and Air in again. Thank you

Yours Sincerely
