Submission: Support
Comments: I wish to support the applicant Mr and Mrs S Shenton with their application for an Existing Certificate of Lawfulness for the storage of caravans and motor homes. I have been storing my caravan at the address since March 2010, this was with the previous owner of the farm. Whilst storing the caravan at the farm I believe that I have caused little or no impact on the locals or environment through disturbance or pollution. For this reason I am in support of the application.
