Application no.: SMD/2020/0594

The following are my objections to this planning application.

Firstly, on the boundary of this site are large trees which have Tree Preservation Orders on them.

Secondly, the planning site is outside the village boundary.

Thirdly, this site is on Park Lane and not High Street and there is no main sewer across Park Lane.

Finally, there are no local needs for this dwelling.

2 applications have been refused before.

Kind Regards,
J. Barks
