Comments: I live directly opposite 58 Rakeway Road in a Grade II listed building

that was built in 1635. Many walkers and members of the local

community show great interest in my home and ask questions about its

history and take photographs. This area is a semi rural location and I

feel that it should be preserved and enjoyed by all.

The above proposal would be detrimental to maintaining the existing

beauty of the area and I feel that Mr Cartwright has already over

developed his plot when he extended his bungalow to a house.

It is for these reasons that I have to object to the above proposal.
