To Whom it May Concern,

Planning Application for a Residential Development at Clewlows Bank, Bagnall, Stockton Brook (SMD/2017/0508)

In response to the above planning application the School Organisation team has the following comments:

This development falls within the catchments of Endon Hall Primary School, Endon and Endon High School.

The development is scheduled to provide up to 8 dwellings. Including accounting for any demolitions, the threshold for calculating education contributions on residential developments is 11 or more dwellings, or a site greater than 0.2 hectares. Therefore no education contribution is requested for this application.

The above is based on current demographics; we would wish to be consulted on any further applications for this site.
