Comments: Removal of condition 12 site operation times of 08/01675/FUL_MJ

Sirs. As far as I am aware the site operational/opening times on the original application of 2008

submitted by Mr Cooper the agent, Requested opening times from 0600 to 1900 hours Monday through Saturday and also Sunday and Bank holidays 0700 to 1700 This was revised as I am led to believe to the hours listed which are currently 0800 to 1800 hours Monday through Friday. 0800 to 1300 Saturday No working on Sundays public/bank holidays. I object to any change/extension to these hours.

I reside directly behind this development since work has started the owner and contractors have not adhered to the planning application guidelines example working prior to 0800 in the mornings whilst extracting the stone from the site, removal of trees to gain access to more stone that was quarried unnecessarily i.e. exceeded 75 metres beyond the plan to the north that was submitted to the planning authority. I could go on if requested

I am happy to discuss my views in front of the planning committee if you require me to do so.
