Comments: I object strongly to this application.

The times on condition 12 should be adhered to. 0800- 1800 MON TO FRI 0800 - 1300 saturday and for no work allowed on bank/ public holidays.

I do not trust the company in question as it is with the times above as they have taken it upon themselves over the past few years to remove trees and planting that was within the planning not to be touched and start work on the site prior to the correct time given prior to 7.30 am and to dig away more than was in the planning application.

I had to get a officer to come and check the site and it was agreed that they had not acted correctly and accordingly with the correct remit of the planning application.A huge beautiful tree had been removed at least 100 feet away from where the excavation should have stopped.
