Comments: Morning Planning we are the neighbouring house to No1 Amber Court, we have a concern about the side window to bedroom 4 side elevation over proposed desk/dressing table, this will impede our privacy in our garden as it will allow the occupant to view into our garden, with the large windows already proposed in the bedroom to the end gable (rear elevation) to which we assume would give sufficient natural lighting to this area.

We are aware there is an additional window being installed for the en-suite room to bedroom 4 but are to believe this will be frosted (so have no concern on this additional window).

We have spoken to Mr Carl Pilarczyk about our concern about this window in the bedroom 4, and have been informed it should not have been drawn on the plans on this elevation.

your faithfully

Mrs J Plant.
