For the attention of Staffordshire Moorlands Planning Office
Re: Mrs Taft, Greenfields Farm, Bagnal, ST9 9LA

Dear Sirs
I am writing this letter in support of Mrs Taft retrospective planning application for the extension that has been erected at the rear of their farm house.

In my opinion this extension blends in with the surrounding buildings and is a great enhancement to the visual aspect from my farm. My farm looks directly over towards the extension which is at the rear of Greenfields Farm, and it has been built in the same materials as the existing farm house, and to a very high standard.

In my opinion this extension is not harmful to the visual aspect of the countryside. This summer room will be advantageous to Mrs Taft in the future.

Yours faithfully

19th May 2022.
