Submission: Objection
Comments: We object to the proposed planning due to the following;

¿ Basford view is mainly a single track lane. More cars will cause issues for the current residents. Furthermore the entrance to the proposed dwelling is next to the turning point for the 5 terraced properties, as well as being one of the few pulling in points.

¿the proposed dwelling is not similar/in keeping with the current properties on Basford view.

¿the land is green belt land and the proposed dwelling will not add to the green belt.
