MEMORANDUM: PLANNING CONSULTATION

LOCATION : 16-18 Ashborne Road, Leek

PROPOSED DEVELOPMENT : Application for Discharge of condition no.5 in relation to application SMD/2020/0035

Recommendation

The Environmental Health Department are satisfied that the Construction and Environmental Method Statement as submitted by DBD Architectural Consultancy dated August 2022 is acceptable and therefore have no objections to the discharge of condition 5 of application SMD/2020/0065 providing all the steps documented in the aforementioned report are implemented.

Regards,
Environmental Health
