Application no: SMD/2017/0312

Determined on: 27/09/2017

Town and Country Planning Act 1990
Town and Country Planning (Development Management Procedure) (England) Order 2015 (as Amended)

FULL PERMISSION FOR DEVELOPMENT

This permission does not carry any approval or consent which may be required under any enactment, bylaw, order or regulation (e.g. in relation to Building Regulations or the Diversion of Footpaths etc) other than Section 57 of the Town and Country Planning Act, 1990.

Location of Development:
The Woodlands New Haden Road Cheadle Staffordshire ST10 1UF

Description of Development:
Proposed replacement dwelling

In pursuance of their power under the above mentioned Act, Staffordshire Moorlands District Council Planning Authority, **HEREBY GRANTS PLANNING PERMISSION** for the development described above subject to the following condition(s):

1. The development hereby permitted shall be begun before the expiration of three years from the date of this permission.
Reason: To comply with the provisions of Section 51 of the Town and Country Planning, Planning and Compulsory Purchase Act, 2004.

2. The development hereby approved shall be carried out in accordance with the details as submitted in the application form and submitted specifications and as shown in drawings:
5346-004 – Site Location Plan;
5346-003 Revision C – Site layout including defined domestic curtilage applied for;
5346-002 Revision C – Floor plans and elevations
Reason: To ensure that the development is carried out in accordance with the submitted details and approved plans, in the interests of good planning, for clarity and the avoidance of doubt.

3. Notwithstanding Condition 2 the development hereby permitted shall not be commenced until details, and samples if requested, of all roof tiles, facing materials and hard surfaces and details of the windows and doors including recess position within the walls and the eaves and verge details have been submitted to and approved in writing by the Local Planning Authority (LPA). The development shall be carried out in accordance with the details as subsequently approved in writing by the LPA.
Reason: To ensure that the external appearance of the development is satisfactory.

4. Prior to the commencement of development hereby permitted drainage plans for the disposal of surface water and foul sewage shall be submitted to and approved in writing by the Local Planning Authority. The drainage scheme shall be implemented in accordance with the details as approved before the development is first brought into use.
Reason: To ensure that the development is provided with a satisfactory means of drainage as well as to reduce the risk of creating or exacerbating a flooding problem and to minimise the risk of pollution.

5. Prior to the commencement of development a scoping survey shall be undertaken in accordance with the Natural England and Bat Conservation Trust guidelines to establish if the buildings to be demolished as shown on drawing 5346-003 Revision C hold the potential to accommodate bats and whether bat activity surveys are needed to establish if bats use the buildings. The results of the scoping survey together with recommendations as to the need for further survey shall be submitted for the approval in writing by the LPA and the recommendations (including any further survey and recommendations for mitigation or compensation work in respect of protected species) shall subsequently be implemented as approved by the LPA.
Reason: In the interests of biodiversity and the safeguard of European Protected Species.

6. Within six months of the first occupation of the new dwelling or such longer period as may be agreed with the LPA in order to meet with any requirements identified as a result of the surveys undertaken in compliance with condition 5 the demolition of the buildings shown to be demolished on drawing 5346-003 Revision C shall have been completed and the land landscaped to form garden amenity space to serve the new dwelling.
Reason: In the interests of biodiversity and the safeguard of European Protected Species and in the interests of good planning and to maintain the Green Belt.

7. All noisy activities shall be restricted to the following times of operations.
08:00 - 18:00 hours (Monday to Friday);
08:00 - 13:00 hours (Saturday)
No working is permitted on Sundays or Bank Holidays.
In this instance a noisy activity is defined as any activity (for instance, but not restricted to, building construction/demolition operations, refurbishing and landscaping) which generates noise that is audible at the site boundary.
Reason: To avoid the risk of disturbance to neighbouring dwellings from noise during anti social hours.

8. The development, including demolition hereby permitted shall not take place until a Construction and Environmental Method Statement has been submitted to and approved in

writing by the Local Planning Authority. The Construction Method statement shall include the following details:-

I. A scheme to minimise dust emissions arising from demolition/construction activities on the site. The scheme shall include details of all dust suppression measures and the methods to monitor emissions of dust arising from the development.

II. Details of wheel washing facilities. All demolition/construction vehicles shall have their wheels cleaned before leaving the site;

III. A scheme for recycling/disposal of waste resulting from the demolition/construction works;

Reason: To protect the amenities of the area from dust.

9. All development activities on the site shall be carried out in accordance with the approved Construction and Environmental Method Statement throughout the course of the development. Any alteration to this Plan shall be approved in writing by the Local Planning Authority prior to commencement of the alteration.

Reason: To protect the amenities of the area from dust.

10. Any waste material associated with the demolition or construction shall not be burnt on site but shall be kept securely for removal to prevent escape into the environment.

Reason: To protect the amenities of the area.

11. In the event that contamination is found at any time when carrying out the approved development it must be reported in writing immediately to the Local Planning Authority. Development shall not re-commence further until an initial investigation and risk assessment has been completed in accordance with a scheme to be agreed in writing by the Local Planning Authority to assess the nature and extent of any contamination on the site. If the initial site risk assessment indicates that potential risks exists to any identified receptors, development shall not commence until a detailed remediation scheme to bring the site to a condition suitable for the intended use by removing unacceptable risks to human health, buildings and other property, and the natural and historical environment has been prepared, and is subject to the approval in writing of the local planning authority. Following completion of measures identified in the approved remediation scheme and prior to bringing the development into first use, a verification report that demonstrates the effectiveness of the remediation carried out must be produced, and is subject to the approval in writing of the Local Planning Authority.

Reason: To ensure that the proposed development meets the requirements of the National Planning Policy Framework in that all potential risks to human health, controlled waters and wider environment are known and where necessary dealt with via remediation and or management of those risks.

12. No top soil or fill material associated with the development, is to be imported to the site until it has been tested for contamination and assessed for its suitability for the proposed development, a suitable methodology for testing this material shall be submitted to and agreed in writing by the Local Planning Authority prior to the soils being imported onto site. The methodology shall include the sampling frequency, testing schedules, criteria against which the analytical results will be assessed (as determined by the risk assessment) and source material information. The analysis shall then be carried out and validating evidence submitted to and approved in writing to by the Local Planning Authority.

Reason: To ensure that the proposed development meets the requirements of the

Simon W. Baker B.Ed MBA MIMSPA
Chief Executive

National Planning Policy Framework in that all potential risks to human health, controlled waters and wider environment are known and where necessary dealt with via remediation and or management of those risks.

13. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (or any order revoking and re-enacting that order with or without modification), no development as specified in Part 1 Classes A, B, C, D, E and F and Part 2 Class A other than those expressly authorised by this permission, shall be carried out without express planning permission first being obtained from the Local Planning Authority.
Reason: To enable the Local Planning Authority to control the development and so safeguard the character and visual amenities of the area, and to ensure that adequate private open space is retained within the curtilage of the building.

Informative
Subject to the conditions attached the proposed development is judged to be of suitable design and meets the tests of sustainability in planning. There are not judged to be any adverse implications for neighbours or wider public amenity and street scene. Amended plans were agreed with the agent in the course of the determination in accordance with the principles of negotiation and amendment as advocated in the National Planning Policy Framework paragraphs 186-187.

NOTES

1. Approval under the Building Regulations may also be required. Advice in this respect can be obtained by contacting the Councils Building Control Section at buildingcontrol@staffsmoorlands.gov.uk

2. Where a vehicle is often driven across a grass verge or kerbed footway to and from premises adjoining a highway, the occupier of the premises may, be required to pay the cost of construction of a crossing, and/or may be required to comply with conditions, imposed by the Authority. You should contact the Highway Authority at Staffordshire County Council.

3. This consent is granted subject to conditions and it is the owner(s) and the person(s) responsible for the implementation of the development who will be fully responsible for their compliance throughout the development and beyond. An application will need to be made to discharge conditions and a fee is payable with the application. For more details please refer to our web site: www.staffsmoorlands.gov.uk If there is a condition that requires work to be carried out or details to be approved prior to the commencement of the development this is called a "condition precedent". The following should be noted with regards to conditions precedent:
   (a) If a condition precedent is not complied with, the whole of the development will be unauthorised and you may be liable to enforcement action.
   (b) Where a condition precedent is breached and the development is unauthorised, the only way to rectify the development is the submission of a new application.

4. Other conditions on this permission must also be complied with. Failure to comply with any condition may render the owner(s) and the person(s) responsible for the implementation of the development liable to enforcement action.

5. The permission is granted in strict accordance with the approved plans. It should be noted however that:
   (a) Any variation from the approved plans following commencement of the development irrespective of the degree of variation will constitute unauthorised development and may be liable to enforcement action.
   (b) Variation to the approved plans will require the submission of a new planning application.

6. If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

7. If the decision to refuse planning permission is for a householder application, and you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.

8. If this is a decision to refuse planning permission for a minor commercial application, and you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.

9. If this is a decision to refuse express consent for the display of an advertisement, if you want

to appeal against your local planning authority's decision then you must do so within 8 weeks of the date of receipt of this notice.

10. If you want to appeal against your local planning authority's decision for any other type of development, including listed building consents then you must do so within 6 months of the date of this notice Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at https://acp.planninginspectorate.gov.uk

11. The Secretary of State can allow a longer period for giving notice of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

12. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
