Depth: 210 mm
Height: 970 mm
Width: 570 mm
Weight: 6.80 kg
Capacity: 210 L
Material: Polypropylene
Colour: Green
Type: Water butt
Manufacturer Model No: GN335-WGN-WS
Brand Name: WARD GARDEN
Range Description: WATERBUTTS

Features & benefits

- Capacity: 210L
- Made from polypropylene
- A water butt collects and stores rainwater for you to use in your garden, saving you money on water bills as well as helping the environment. Simple to fit, the water butt also comes with a stand for even easier installation. A great way to water your plants during a hosepipe ban. Some self assembly required.
- Supplied with stand and filler kit
- Made in UK
