Cherry Lane

I use Cherry Lane virtually every day and never fail to see local people either walking, running, cycling or taking their dogs for a walk. The imposition of the proposed new development of 15 two storey lodges with 26 parking spaces, plus the extra traffic promised by the fishing club, will at best make life difficult for these users and at worst down right dangerous. Further more the exit from Cherry Lane into Oakamoor Road is an accident waiting to happen.

The impact to the environment with light pollution, noise and volume of people will have a truly negative effect on the wild life of this quiet area.
