Good morning Mr Johnston

In light of comments received from Environmental Health, we wished to confirm

1. Muck midden - There will be no heap and the applicant as attached has a dedicated 6 ton specialist horse muck trailer with ramp which holds 6 months manure which when full gets removed from their property and emptied by contractors
2. Lights - No lights are proposed but as advised we understand that any lights installed should be appropriately directed in order to avoid light spillage and glare.
3. Noise - No amplification is proposed but as advised we understand the advice given
4. Construction Hours - Noted

We look forward to hearing from you

Kind Regards

Mrs Olivia Starkey Msc Surv RICS
