I refer to your consultation email dated 17 October 2017.

The County Council as the Mineral and Waste Planning Authority has no comments on this application as the site is:

- Not within or near to any permitted waste management facility; and
- Exempt from the requirements of Policy 3 – Mineral Safeguarding in the Minerals Local Plan for Staffordshire 2015 – 2030.

To assist you in determining when to consult the Mineral and Waste Planning Authority, please note the guidance at paragraph 5.55 of the Staffordshire and Stoke-on-Trent Joint Waste Local Plan 2010 – 2026 and the attached interim guidance on mineral safeguarding sent to you in May 2017.

Thank you
