Re: 8 Mutual House, Cheadle Shopping Centre.

Whilst we have no objection to the proposed use of the unit we would like to bring to your attention the area adjacent to the entrance/exit of the proposed unit (at the rear of E & E Furniture Stores), this is a very well used loading bay, servicing all shops in the vicinity on a regular basis, ie. approximately 20 heavy goods vehicles per day.

We think the proposed plan needs careful consideration for the safety of a large number of young children expected to be using the facility and the volume of traffic around the entrance/exit.

E & E FURNITURE STORES (CHEADLE) LTD
