Categories:

Good Morning,

Thank you for consulting us on SMD/2023/0298 – Land at Blythe Park, Sandon Road.

Staffordshire County Council Flood Risk Management Position
As we are already dealing with the flood risk and drainage matters via the 2 planning applications SMD/2022/0275 and SMD/2022/0577 we would have no comments to make regarding the need for an EIA. If there are any amendments to flood risk and drainage details provided under SMD/2022/0275 and SMD/2022/0577 that require our consultation, please reconsult us.

Should you have any questions about our response please contact us on flood.team@staffordshire.gov.uk

Kind Regards
Roberta

Please note my working days are Monday to Wednesday.
