Details of the pre-application advice received

I note the omission of a garage space and the increased bedroom numbers, it is not obvious that within the site 3 off road parking spaces could be provided.

The side extension appears disproportionately wide - more than half the width of the original and this would make for quite a wide property frontage and additional massing to dominate the original dwelling and the street scene.

Also, the ground floor TV room extends forward of, and wraps around to the side of, the dwelling's original front elevation which would erode any attempts to make the addition recessive and subordinate to the character and presence of the original front elevation and its presentation to street scene.

As you've drawn it, it looks like the rear extension would only extend as far as a 45 degree sight line from centre of adjacent window - so okay in those respects.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

◯ Yes
⊘ No

◯ No

◯ Yes
⊘ No

Certificate Of Ownership - Certificate A

*** "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.**

**** "agricultural holding" has the meaning given by reference to the definition of "agricultural tenant" in section 65(8) of the Act.**
