Dear Sir/Madam

Re Application No – SMD/2023/0381

Location - Land off Stile House Lane, Bradnop, Nr. Leek

Proposal - Erection of stable block, formation of menage and associated change of use of land from agricultural to equestrian use.

The above proposal was presented to the members of Bradnop Parish Council.

The above proposal did not give too much concern, it was not thought to be imposing and considered to be nicely placed therefore should have no overall effect on the local countryside. It was questioned as to whether it would give slightly more traffic on this part of the road where there is quite a concealed corner. Obviously, care will have to be taken at this proposed entrance.

Yours faithfully

Sheila M. Knott
Clerk to the Council
