Contractors are to check all dimensions on site and refer any discrepancies to the Architect immediately. Figured dimensions are to be taken in preference to scaled dimensions. To the best of our knowledge the original digital document is accurate at the stated scale. However, we cannot accept liability for the accuracy of third party information, or for changes made to the original digital document after it has been issued by us, which we have noted upon it given both. Any dimensions are noted for reference and any further specific dimensional information can be provided upon request
