Contractors are to check all dimensions on site and refer any discrepancies to the Architect immediately.
This drawing has been prepared for planning purposes only and to the best of our knowledge the original information shown on the existing plans, sections and elevations is accurate. However, we cannot be responsible for third party data (OS mappings, topographical survey information, etc) used in the production of this document. Dimensions should not be scaled from this drawing. Figured dimensions are noted for reference and any further specific dimensional information can be provided upon request.
