Heritage Statement

Rose Cottage is a Grade II Listed Building, dating from the mid-19th Century, situated within the courtyard of Knypersley Hall, near Biddulph.

Comprised of three of the original outbuildings belonging to the Hall, the stable block, coach house and attached cottage, Rose Cottage is now one single dwelling.

Knypersley Hall itself is Grade II* Listed, formerly owned by James Bateman, the renowned horticulturalist, landscape gardener and designer of Biddulph Grange and its gardens.

The proposed renewal of the skylights of Rose Cottage will not alter the appearance of the building or the area, as work will be sympathetic to the historic character of the environment using materials of the highest quality and design.
