DX100 & LV100

4"/100mm axial extract fans with fitting kit

A comprehensive range of compact and easy to install single speed fans, suitable for a wide range of applications including bathrooms, shower rooms and toilets. All DX and LV fans come complete with a universal wall and window fitting kit. The shallow depth of the outlet spigot also makes these fans ideal for compact window installations.

LV100 models are supplied with an external 12V SELV transformer, allowing the fans to be installed safely in Zone 1.

DX100 is an accredited bathroom/en-suite & toilet extract fan under the Green Homes Compliance scheme
