Conservation Response.

Date: 21/09/2023.

File/Application ref: SMD/2023/0404.

Case Officer: Lisa Li.

Proposal: 'Change of windows and doors to front elevation'.

Site Address: 6 Compton, Leek, Staffordshire, ST13 5NH.

Dear Lisa,

The Almshouses concerning this proposal are later or modern additions to Leek, and are not connected to nor form part of the listing for the Ash Almshouses which are adjacent on the corner.

I recommend slimline units to improve the building's appearance and therefore enhance the Conservation Area.

No objection.
Subject to the following conditions:

- Prior to the commencement of works on site full details of joinery including green colour code for doors and cream colour code for window units, frame type, glazing type, fittings and fixtures including letterboxes, opening mechanisms, putty, beading where relevant and unit position within the reveals are to be submitted to the Local Planning Authority. Once approved in writing the development shall be undertaken in accordance to this specification.

Regards,

Miss E Holland.
Principal Conservation Officer.
