AGENDA ITEM 5
CONSERVATION LIAISON PANEL
LIAISON PANEL RECOMMENDATIONS 12th DECEMBER 2017

REFERENCE	APPLICANT	PROPERTY	STATUS	NATURE OF WORKS	LIAISON PANEL RECOMMENDATION	DECISION ISSUED
2017/0603	Mr C Barks	The Hurstons, Alton	Alton CA	Erection of detached dewelling	OBJECT. Totally unacceptable form, massing and design.	
2017/0633	Mr D Hewins	Brambley Dell, Cotton Dell, Oakamoor	Oakamoor CA	Proposed Residential dwelling.	OBJECT. Totally unacceptable form, massing and design. Disregard to the character and appearance of the area. Considered that the paddock is an important open space within the village which is not suitable for development.	
2017/0770	Walk Ministries	Field House Farm, Dilhorne Road, Forsbrook	Grade II LB	Proposed timber doors and weather boarded enclosure of existing open fronted building	No objections but considered that the timber boarding would be better running vertically rather than horizontally.	
2017/0232	Mr & Mrs Needham	Cloud House Farm, Cloudside, Congleton	Grade II LB	Alterations and extensions	Design of the extension is moving in the right direction. Still too large and needs to be stepped in further. Totally object to the subdivision of the former kitchen to install a WC. This is a principle historic room within the Listed Building and is of high significance.
