When reproduced correctly at 1:1 this scale should be accurate in millimetres

NOTE:

All works to be carried out in accordance with relevant British and European Standards and Codes of Practice. All products to be used in accordance with manufacturer's recommendations and applicable BBA certificates. Any conflicts to be notified to architect at earliest opportunity.

This drawing to be read in conjunction with all relevant Architect's and other Specialist's drawings, details and specifications.

Significant risks are not necessarily those that involve the greatest risks, but those, including health risks that are:
a) not likely to be obvious to a competent contractor or other designers;
b) unusual; or
c) likely to be difficult to manage effectively.

Significant Health and Safety Risks:

Key

- External Wall - Brick
- External Wall - Render
- Separating Wall E-WM-26.
