To whom it may concern,

With reference to the Price family residing at Olive tree Park, Uttoxeter Road, Checkley, Stoke-on-Trent, ST10 4NA. I would like to support their application to stay in the village. The children are all receiving an education at the local school and it would be a shame to disrupt their lives. It is very difficult for Gypsy children to maintain their education and school life.

Land is difficult to come by for small family sites like this and therefore we feel that this application should be accepted. The site is well maintained and is now part of village life.

In October 2017 the family will have lived in this village for 10 years, with no problems, it is time that they were accepted fully on a permanent permission.
