Subject: SMD/2018/061 - Springs Cottage Farm, Thorneyedge Road, Bagnall

Dear Sirs

Bagnall Parish Council has reviewed the above application, but has a query they would like clarification upon before forwarding their comments.

The plans do not show Footpath 26, which runs across the applicants property, and the training area appears to run over where the Footpath should be. Could you please confirm whether or not this is the case, and if this being the case an application for a diversion of right of way has been applied for.

I look forward to receiving your comments in due course.
