Application no: SMD/2017/0453

Determined on: 15/03/2018

Town and Country Planning Act 1990
Town and Country Planning (Development Management Procedure) (England) Order 2015 (as Amended)

FULL PERMISSION FOR DEVELOPMENT

This permission does not carry any approval or consent which may be required under any enactment, bylaw, order or regulation (e.g. in relation to Building Regulations or the Diversion of Footpaths etc) other than Section 57 of the Town and Country Planning Act, 1990.

Location of Development:
Hardiwick Farm Handley Banks Caverswall Common Caverswall Staffordshire ST11 9EX

Description of Development:
Demolition and removal of existing agricultural building.
Change of use to Equestrian with construction of stable block. Formation of Manege.

In pursuance of their power under the above mentioned Act, Staffordshire Moorlands District Council Planning Authority, **HEREBY GRANTS PLANNING PERMISSION** for the development described above subject to the following condition(s):

1. The development hereby permitted shall be begun before the expiration of three years from the date of this permission.
Reason:-
To comply with Section 51 of the Planning and Compulsory Purchase Act 2004.

2. The development hereby approved shall be carried out in complete accordance with the submitted amended plans and specifications as follows:-

Location Plan
Amended Plan: 1720-01 Revision D received on 8.3.18

Simon W. Baker B.Ed MBA MIMSPA
Chief Executive

Amended Plan: 1720-02 Revision D received on 8.3.18

Reason:-
To ensure that the development is carried out in accordance with the approved plans, for clarity and the avoidance of doubt.

3. The building hereby approved shall have finishing materials comprising dark-stained Yorkshire timber boarding for the whole area of the external walls.
Reason:-
In the interests of the character and appearance of the area.

4. Before the commencement of works, details of the type, texture and colour of the proposed roofing materials for the proposed stables building shall be submitted to and approved in writing by the Local Planning Authority and the approved materials shall be used in the development.
Reason:-
In the interests of the character and appearance of the area.

5. The stables building and manege/horse exercise arena hereby approved shall be used only for the private equestrian use of the applicant in connection with the equestrian use of Hardiwick Farm, Caverswall and no part of the development shall be used as a livery or for any commercial purposes or for the staging of gymkhanas or events, either equestrian or for other events.
Reason:-
In the interests of ensuring appropriate development in the Green Belt and in the interests of the character and amenities of the area.

6. Before the commencement of works, details of hard-surfacing to be used in connecetion with the development hereby approved shall be submitted to and approved by the Local Planning Authority and the approved hard-surfacing shall be provided and maintained for the purpose of vehicular parking and turning before the development is brought into use and retained for the lifetime of the development.
Reason:-
In the interests of the character and appearance of the area.

7. Before the commencement of works, the existing agricultural building within the red-line boundary application site shall be demolished and all demolition materials shall be removed from the land edged red or blue on the application drawings.
Reason:-
In the interests of the character and appearance of the area.

8. Unless prior permission has been obtained in writing from the Local Planning Authority, all noisy activities shall be restricted to the following times of operations:
-08:00 - 18:00 hours (Monday to Friday);
-08:00 - 13:00 hours (Saturday)
-No working is permitted on Sundays or Bank Holidays.
In this instance a noisy activity is defined as any activity (for instance, but not restricted to,

building construction/demolition operations, refurbishing and landscaping) which generates noise that is audible at the site boundary.
Reason:-
To avoid the risk of disturbance to neighbouring dwellings from noise during unsocial hours.

9. Manure generated from the approved use shall be collected and stored in a dedicated storage area, with sufficient capacity to store 6 months worth of manure. The manure storage area shall have an impermeable surface capable of containing, or facilitating the collection of, all manure generated leachate and sited at least 50m from all neighbouring residential properties. The burning of manure as a means of disposal is not permitted.
Reason:-
To protect the amenity of neighbours and pollution of the environment.

10. Any waste material associated with the demolition or construction shall not be burnt on site but shall be kept securely for removal to prevent escape into the environment.
Reason:-
To protect the amenities of the area.

11. No security or floodlights shall be erected on the site under this permission without the submission of full details to, and written approval from the Local Planning Authority.
Reason:-
To protect the local amenities of the local residents by reason of excess of luminance.

12. No amplified sound shall be audible within or at the boundary of any noise sensitive (occupied) premises either attached to or in the vicinity of the premises to which this application refers.
Reason:-
To ensure that the reasonable residential amenities of nearby properties are adequately protected from noise pollution.

13. The finishing for the manege surface of the development hereby approved shall comprise dark brown or black rubber chippings.
Reason:-
In the interests of the appearance of the area.

14. The proposed manege enclosure fences shall comprise a natural dark brown finish.
Reason:-
In the interests of the appearance of the area.

15. The development hereby permitted shall not be brought into use until the access drive rear of the public highway has been surfaced in a bound material for a minimum distance of 7m back from the carriageway edge. The surfacing shall thereafter be maintained
Reason:-
In the interests of highway safety.

Informatives

1. The Council has sought (negotiated) a sustainable form of development which complies with the provisions of paragraphs 186-187 of the NPPF

2. The applicant is requested to either remove the existing caravan from the site or submit a full planning application for its retention within one month of the date of the decision notice.

3. Please be aware that the responsibility for safe development and secure occupancy of the site rests with the developer.

"" The site is situated within a nitrate vulnerable zone and therefore manure disposal must therefore comply with the Nitrate Pollution Prevention Regulations 2008

"" Advice on controlling flies and light can be found in: Statutory Nuisance from Insects and Artificial Light (defra 2005) available as a free download http://archive.defra.gov.uk/environment/quality/local/legislation/cnea/documents/statnuisance.pdf

"" https://www.theilp.org.uk/documents/obtrusive-light/

"" During any demolition and construction activities (including landscaping) the contractor shall take all reasonable steps to prevent dust formation and prevent any dust formed from leaving the site boundary.

"" Building Research Establishment Guidance Document 'Control of Dust from Construction and Demolition Activities' (BR456)

"" If required, contamination risk assessments shall be carried out in accordance with UK policy and with the procedural guidance relating to the contaminated land regime, and should be in accordance with Planning Policy Statement 23 and the CLR Report Series 1-12.
"" Submission of reports should also be made to the Environment Agency for comment with regard to their remit to protect ground and surface waters from pollution and their obligations relating to contaminated land.
"" The Local Planning Authority will determine the acceptability of reports on the basis of the information made available to it. Please be aware that should a risk of harm from contamination remain post development, where the applicant had prior knowledge of the contamination, the applicant is likely to be liable under Part II (a) of the Environmental Protection Act 1990 and as such become and ""appropriate person"". In this event the applicant will be lawfully responsible to remove the risk posed by the contamination.
"" Equally if during any site works a pathway for any contaminant on site is created and humans, waters, property or ecological systems are exposed to this, the applicant or those

acting on behalf of the applicant will be liable under part II (a) of the Environmental Protection Act 1990 if the risks are not adequately addressed during the site redevelopment.

"" During investigation and remediation works the applicant and those acting on behalf of the applicant must ensure that site workers, public property and the environment are protected against noise, dust, odour and fumes

"" The applicant is advised that should there be a requirement as part of the Remediation Strategy to treat, reuse or remove contaminated material on the site, the Environment Agency must be consulted, as these activities may need to be licensed or permitted. Contaminated materials identified for removal off site must be disposed of in an appropriately licensed landfill site.

"" Staffordshire Moorlands District Council is keen to liaise with all stakeholders involved in this application. As such, we recommend that a proposed scope of works is forwarded to the Environmental Protection Department and agreed in principle prior to site investigation works being undertaken. The Environmental Protection Department is also prepared to review draft copies of reports prior to final submission to the Planning Department in order to ensure that works undertaken are sufficient to discharge the contaminated land conditions.

NOTES

1. Approval under the Building Regulations may also be required. Advice in this respect can be obtained by contacting the Councils Building Control Section at BControl@staffsmoorlands.gov.uk

2. Where a vehicle is often driven across a grass verge or kerbed footway to and from premises adjoining a highway, the occupier of the premises may, be required to pay the cost of construction of a crossing, and/or may be required to comply with conditions, imposed by the Authority. You should contact the Highway Authority at Staffordshire County Council.

3. This consent is granted subject to conditions and it is the owner(s) and the person(s) responsible for the implementation of the development who will be fully responsible for their compliance throughout the development and beyond. An application will need to be made to discharge conditions and a fee is payable with the application. For more details please refer to our web site: www.staffsmoorlands.gov.uk If there is a condition that requires work to be carried out or details to be approved prior to the commencement of the development this is called a "condition precedent". The following should be noted with regards to conditions precedent:
   (a) If a condition precedent is not complied with, the whole of the development will be unauthorised and you may be liable to enforcement action.
   (b) Where a condition precedent is breached and the development is unauthorised, the only way to rectify the development is the submission of a new application.

4. Other conditions on this permission must also be complied with. Failure to comply with any condition may render the owner(s) and the person(s) responsible for the implementation of the development liable to enforcement action.

5. The permission is granted in strict accordance with the approved plans. It should be noted however that:
   (a) Any variation from the approved plans following commencement of the development irrespective of the degree of variation will constitute unauthorised development and may be liable to enforcement action.
   (b) Variation to the approved plans will require the submission of a new planning application.

6. If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

7. If the decision to refuse planning permission is for a householder application, and you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.

Simon W. Baker B.Ed MBA MIMSPA
Chief Executive

8. If this is a decision to refuse planning permission for a minor commercial application, and you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.

9. If this is a decision to refuse express consent for the display of an advertisement, if you want to appeal against your local planning authority's decision then you must do so within 8 weeks of the date of receipt of this notice.

10. If you want to appeal against your local planning authority's decision for any other type of development, including listed building consents then you must do so within 6 months of the date of this notice Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at https://acp.planninginspectorate.gov.uk

11. The Secretary of State can allow a longer period for giving notice of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

12. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
