Parish Council comments

Hi Chris,

Thanks for the site map. After reviewing the plans the Parish Council would like the following comments logged as part of the decision making process:

The Parish Council do not have any reservations about the scale, form or materials for the building, however, we do think it should be located nearer to the house and other buildings i.e. to the north still facing Bromley Hedge Lane but nearer Pethills Lane. The current application seems to spread the developed site area out unnecessarily.

This is the only additional consideration we would look to make.

Kind regards

Jason Buxton

Hi Christopher,

When we reviewed these plans, there didn't seem to be site plan included so it was difficult to see where the development was taking place in relation to the rest of the properties.

Is there a site plan available to view with these plans

Kind regards

Jason

Good Afternoon,

The Waterhouses Parish Council are due to meet next Tuesday, would it be possible for an extension to the consultation period to give the Parish Council the opportunity to review these plans and feed back any comments as necessary?

Kind regards

Jason Buxton

Parish Clerk
