**Particulars of Development:**
RELOCATION OF EXISTING CAR PARK

**Location of Development:**
THE FOXHOUND, 56 HOT LANE, BIDDULPH MOOR, STAFFORDSHIRE, ST8 7JT

## Conditional

---

**Recommendations:** There are no objections on Highway grounds to the proposed development subject to the following conditions being included on any approval:-

1 The development hereby permitted shall not be brought into use until the access drive rear of the public highway has been surfaced and thereafter maintained in a bound and porous material for a minimum distance of 10m back from the carriageway edge.

REASON

To comply with SMDC Core Stratey policy DC1; to comply with NPPF Paragraph 32; in the interests of highway safety.

NOTES TO PLANNING OFFICER

Surfacing of the car park area edged red on the plan in gravel is acceptable. The access to the car park is currently surfaced in a bound material. Condition above seeks to mintain this.

Relocation of the garden area to adjacent to the pub rather than across the car park is an improvement in pedestrian safety.
Increasing the size of the car park is also a benefit. Parking on Hot Lane is not practical.
