Proposed development

1, Highfield Ave

Stoke on Trent

Dear Sir

I reside almost at the highest point of Highfield Ave (ST10 1JW) & have done so for the past 45 y10. & have enjoyed the view obtained from my side door & the front of my garage (both in place at the time of purchase)

I can see from this viewpoint (straight ahead) over the ^{rear} gardens of 3 ^{11, 12, 13, 14, 15} 15 to Thorpe Rise, Hoghall Rd Chaddle & to my left parts of King'sley Moor.

The proposed development would cause the skyline of the Mooridge to disappear from

view for myself & immediate addresses lower ^{3 & 5}

The development exceeds to far ^(behind) beyond the average rearward position of other properties below.

I object to the proposal

Yours faithfully,

New build not in keeping with age of older
properties in Highfield Ave, Cheadle
The actual living accommodation of the existing houses
well spaced out. (evenly) I have noticed. (Observed)
The proximity of the proposed development to
5, Highfield Ave, Cheadle would be detrimental
aesthetically & ^{the} wellbeing of the occupier (present &
to come).
