Comments: i strongley object to this application the tree has been cut down already fence has been put up with no direct conversation with any of the other residents who live there i have lived here for 28 years and with haveing no garden i used the land in question as did other residents for hanging out washing he has blocked all access to the land and put a locked gate on it bullying tattics in a big way the fact only one house num 7 on the row got a letter about this application is very strange no one else apart from 4 and 6 cheddleton park avenue witch in my view have nothing to do with the land at all
