Application no: SMD/2018/0282

Determined on: 10/07/2018

Town and Country Planning Act 1990
Town and Country Planning (Development Management Procedure) (England) Order 2015

REFUSAL OF PLANNING PERMISSION

Location of Development:
Land adjacent to 67 SHAWE PARK ROAD KINGSLEY HOLT STAFFORDSHIRE ST10 2DJ

Description of Development:
Erection of 4 detached dwellings

Staffordshire Moorlands District Council in pursuance of powers under the above mentioned Act hereby **REFUSE** to permit the development described above in accordance with plans ref:

2014-1983-12 Rev A;
2017-2219-04 Rev E;
2017-2219-08 Rev B;
2017-2219-10 Rev B; for the reason(s) specified below:-

1. This is a visually prominent edge of settlement location, currently free from any built development and which is visually prominent from the public domain. The large dwellings would be seen in the context of smaller surrounding properties and would be visually intrusive in what is otherwise a gradual transition between the residential area and the open countryside. The proposed scheme would constitute overdevelopment of the site as is evidenced by the inability of the scheme to comply with the Supplementary Planning Guidance 'Space About Dwellings' standards. Residential development on the site would significantly and unacceptably change the character of this open and undeveloped area into an extension of ribbon development along the road. The proposed development is therefore contrary to the National Planning Policy Framework including section 7, policies DC1, DC3 and R1 of the Core Strategy Development Plan Document (Adopted March 2014) and adopted Supplementary Planning Guidance entitled Space About Dwellings.

2. Flower rich grassland, scrub, woodland and hedgerows may all have value for invertebrates. However there is no assessment to demonstrate to what extent the proposed development may impact upon these species. Further surveys are required in accordance with best practice guidelines. In the abscence of this information or any compensation the application is contrary to the National Planning Policy Framework including section 11 and policies DC1, R1 and NE1 of the Core Strategy Development Plan Document (Adopted March 2014).

NOTES

1. If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

2. If the decision to refuse planning permission is for a householder application, and you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.

3. If this is a decision to refuse planning permission for a minor commercial application, and you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.

4. If this is a decision to refuse express consent for the display of an advertisement, if you want to appeal against your local planning authority's decision then you must do so within 8 weeks of the date of receipt of this notice.

5. If you want to appeal against your local planning authority's decision for any other type of development, including listed building consents then you must do so within 6 months of the date of this notice Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at https://acp.planninginspectorate.gov.uk

6. The Secretary of State can allow a longer period for giving notice of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

7. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
