PROPOSAL

It is proposed that a single storey extension be constructed which will create an open plan kitchen / dining area as well as a utility and an en-suite for the master bedroom. The existing shower room will also be updated as part of the internal alteration works.

Prior to the construction of the extension the existing shed and canopy will need to be demolished. The concrete slabs to the rear of the property will be removed and replaced with paving slabs to client's specification.

MATERIALS

Roof :-
Roof tiles to match existing

Walls :-
Brickwork to match existing

Windows :-
White Upvc casement style windows to match existing

Doors :-
White Upvc patio doors to dining area with a side light to both sides of opening.
White Upvc access door to utility with side light.
