Proposed :Lambing shed (Agricultural)
At: Upper Moor End farm,Stoney Lane, Cauldon,Staffs ST10 3EP.

Upper Moor End Fm is a small holding housing a variety of animals (as below)

7 Sheep – in Lamb
3 goats –in kid
2 billie goats –a variety of poultry 7 pigs.

The lambing shed is required to cater for all these animals at various times of the year ,especially in winter months – the housing at present comprises of very small / cramped sheds and are no longer, of practical use.

To safeguard the welfare of the livestock , this shed will become an essential part of this enterprise .
