Good Afternoon

Re: SMD/2019/0345 – Mr Paul Wright, Land at Cheadle Road, Kingsley.
Proposed Development: Demolition of existing workshop and construction of detached bungalow.

Following KPC Meeting, Councillors object to the above proposal on the following grounds:

- Overdevelopment - The plot is small in comparison to size of the dwelling.
- No turning circle in the driveway.
- Cheadle Road is unadopted with very limited parking / turning facilities
- Road safety: Poor vision from Cheadle Road onto A52, The Green, Kingsley.

Cllr. Fowler abstained from the vote.

Kind regards
