Dear Planning,

At the Alton parish council meeting on Wednesday 12th June the below planning applications were considered.

i. SMD/2019/0267. Mrs S. Williamson, Alton Bridge Hotel, Station Road, Alton. Application to remove condition 5 in respect to SMD/2016/0550. **No objections.**

ii. SMD/2019/0342. Mr & Mrs Webster. The Stone House, Malthouse Road, Alton. Erection of dwelling and alterations to existing submission SMD/2018/0413. Cllr Shepherd explained what this application relates to and read out the councils objections the last time a similar application was made on the site. **Following a discussion the council agreed the following objections:**

a. **The application is detrimental to the rural setting and is large and not consistent with other buildings in the area.**
b. **To maintain road safety part of a existing wall will be removed eroding the character of the area.**
c. **The council is concerned that on street parking will increase, particularly as the drive to the proposed property is not very large. This would cause highway safety concerns particularly for pedestrians.**
d. **Alton needs smaller houses not more large houses.**

Kind regards

Selwyn Burton
Clerk to Alton Parish Council
