Planning Department
Staffordshire Moorlands District Council
Moorlands House
Leek
Staffordshire

Dear Sir/ Madam

SMD/2019/0341 Proposed 2 no. replacement agricultural buildings together with extension to existing agricultural building at Sandbank Farm, Ryecroft Gate, Macclesfield Road, Rushton Spencer

Members of Rushton Parish Council are in favour of the replacement of the 2 agricultural buildings; however they have concerns over the extension.

- The Councillors were not allowed on site due to bio - security issues
- No signs re bio - security
- Insufficient information provided by the applicant
- As the proposed extension makes the existing building 3 times its original size there are environmental concerns
- Asbestos
- Storage and disposal of slurry
- Storage of feed
- Extra traffic onto the site

SMD/2019/0256 Proposed single storey side extension at New House Farm, Charles Knowle Lane, Rushton Spencer

Members of Rushton Parish Council have no objections to this Planning Proposal

Yours faithfully

June Sherratt
